Thank you for allowing me to prepare your stock and options trading tax schedules for this year's Form 1040 US Individual Tax Return.

Form(s) prepared: Schedule D Form 8949 Form 4797 Form 6781 Schedule C

I prepared your form(s) from the information you furnished to me from your broker. I did not perform an audit or other verification of the information except that which was necessary to file a complete and accurate schedule or form. Please review each before filing to ensure there are no omissions or misstatements of material facts.

Instructions

Attach **Form 8949** after Schedule D and make sure the sum of columns (e), (f) and (g) for each Form 8949, if multiple copies, carries to the respective columns of Schedule D lines 1-3 (short-term) or lines 8-10 (long-term). If you have other transactions applicable to Schedule D, you will need to incorporate those manually.

If applicable, attach either **Form 4797** or **Form 6781** toward the end of your return according to the "Attachment Sequence No." in the upper right hand corner of the respective Form.

Attach the **Addendum to Jurat** after page 2 of your Form 1040 (the signature page).

If you electronically file, you may be required to attach the above-referenced form(s) to Form 8453 and mail it to IRS within three business of the electronically filed return's acceptance.

If applicable, also enclosed is an "Open Shares Detail" report that provides information regarding the number of shares you owned at year-end and their respective cost basis and revised holding period dates, per IRS regulations, after adjusting for any *wash sales*, *assigned puts* and/or *exercised calls*.

Thank you for this opportunity to be of service to you. Please feel free to contact me if I can be of any further help. I hope to see you again next year and good trading.

Very truly yours,

Gregory L. Buhrow, CPA
